IRDiRC Goals – Dissemination

1 March 2017

The new IRDiRC goals will be finalized next month: how do we disseminate these to a larger audience?

- ▶ Scientific article
 - a. As follow-up of commentary that was published in Nature almost six years ago (<http://www.nature.com/gate2.inist.fr/news/2011/110404/full/472017a.html>)
 - b. In parallel, submit an article that puts IRDiRC's past and future in perspective
 - c. Contact journal to determine interest, keep a slot, and better target the manuscript

- ▶ Press release, to be sent to/distributed to/shared with:
 - a. IRDiRC website and IRDiRC CA/SC members
 - b. Patient organizations newsletters (e.g. EURORDIS/ NORD/ RDI/ Others?)
 - c. RD-Connect/Neuromics/Eurenomics newsletter
 - d. OrphaNews
 - e. European Commission communications (Sandra Milev)
 - f. NIH/NCATS listserv

- ▶ Slide deck
 - a. Provide PPT slide deck to IRDiRC members for inclusion in presentations

- ▶ Action items :
 - a. Decide article type and journal
 - b. Contact journal of interest
 - c. Write articles and send out for review
 - d. Write press release
